## PUBLIC ART COMMISSIONS private and public

### - 2018

- Currently shortlisted for Public Art project with CHILD GRADDON LEWIS DESIGNERS AND ARCHITECTS, enhancing the river frontage of a new office development in Guildford. - tbc - ongoing
- Artist in residence 2018 Tower Bridge - shortlist
- Currently shortlisted for a public art commission for an Essex Cultural Diversity Project project in Harlow. For 2018-19 the projects are focusing on five towns, Canvey Island, Harlow, Basildon, Grays and Jaywick Sands. Harlow is the focus of this commission. - tbc - ongoing
- Currently shortlisted for a public art commission for Luton's Hat District. The project is to design, fabricate and install a series of illuminated neon, enamel work or industrial signs, symbols and letters across our four key buildings/venues and historic Hat District that reference the hat making industry of the past and the creative enterprise of tomorrow - tbc, ongoing
- Public art project for GREAT YARMOUTH STATION / EXPO. Commissioned by originalprojects; to design a 60m presentation of a train enthusiast's photographic collection as part of Great Yarmouth Expo, a project that collects and celebrates cultural artefacts, personalities and customs from the people of Great Yarmouth.
- Collaboration project for 20M hoarding for Art on the Tideway - Through Kaleidoscope eyes' is a public art commission, due for completion in Autumn 2018, for **Tideway** who are constructing the immense Thames Tideway Tunnel a major new sewer, urgently needed to help protect the tidal River Thames from increasing sewage pollution.

### - 2017

- Large-scale 8x8M vitreous enamel optical wall-artwork which references the Greater London rail and tram network symbols and exact colours, and a series of 12 enamel way-finding signs, creating a unique identity for a new Bellway Homes development in Croydon.
- A collaborative installation of light projected imagery for the Thames Tunnel Shaft of the Brunel Museum by Tom Pearman & Anne Krinsky. The installation merges Pearman's animations of faux tunneling forms, inspired by Brunel's Tunnel and Tunnel Shaft and Krinsky's video footage of the river and its architecture. The project is part of the Totally Thames Festival 2017, which ran through the duration of September 2017.

### - 2016

- Central Bedfordshire Council commissioned Pearman to undertake a public art commission for a new council community hall and council offices in Stotfold, Bedfordshire. Pearman designed and managed a vitreous enamel cladding and glazing vinyl system spanning 3 elevations. The artwork is a continuous design that overlaps 60 meters of the exterior walled area and the glazing.

### - 2015

- Commission for Gayhurst Community School in Hackney for a series of collaborative based wall relief art works exploring the game of consequences / misfits within a cultural context of Hackney and the wider London area and its architecture and community.
- Funded by the London Mayor's Air Quality Fund, Tom Pearman was commissioned to design a series of enamel signs to be located within the Brockley area, in South London. The locations included a public library, a public house, a station cafe and 3 local schools. Each artwork has a different positive message on a different opening box that contains 'CLEANER AIR'.

### - 2014

- Commissioned by ArtReach, Pearman devised and conducted a series of engagement sessions in a variety of locations in Holyhead, Wales, as part of IDEAS : PEOPLE : PLACES. An arts strategy to embed the arts in a genuine and meaningful way, in a small number of imaginative and innovative regeneration projects, funded by the Arts council of Wales.
- Artist in residence / architectural window design for Marshgate Primary School in collaboration with Orleans Park Gallery, London Borough of Richmond.
- Glass commission for Oxford Health NHS Foundation Trust for their new hospital in Aylesbury.

**- 2013**

- Sefton MBC Bootle Cemetery public art commission. Project involves the production of 100 site markers around the cemetery celebrating the 100<sup>th</sup> anniversary of the site.
- Spinning Top commission for Hackney Borough Council involving the fabrication of spinning tops with the public using a record turntable.

**- 2012**

- Large-scale vitreous enamel public art project for Vale of Glamorgan Council, Barry town centre, celebrating Leon Vint's Electric Palace, an early cinema that once stood on Thompson Street in the early part of the C20th.
- Public art scheme for Guilford Housing Association and Guildford Borough Council situated in a local playground using twenty six meters of bespoke machined industrial plastic panels, under the Percent for Art programme.

**- 2011**

- Architectural glass commission for The John Peel Centre for Creative Arts. Built in 1835, the originally named Corn Exchange in Stowmarket now provides a high quality arts venue in the heart of Suffolk.
- Selected as the artist and consultant for a Capital Build Programme for Burnham on Crouch Primary School, Essex. Project has involved integrating artwork into the redesign of the school, including an architectural glass application to the new assembly hall's main glazing.
- Capital Build Project for Winter Garden Primary School, the artworks explore a sense of an opening, doorway or journey to another world, place or culture. This is represented by the introduction of industrial plastic artworks that take on the appearance of false doors, stairs and windows situated around the school's grounds.

**- 2010**

- Broomfield NHS Hospital stained glass and custom Polyrey laminate commission. Selected for lead artist for the emergency floor of the new Bouygues [UK] Ltd designed hospital in Essex.
